**Principals Message**

Hello Everyone,

Another term is flying by. So many great things happening.

**Welcome to new Staff and Students**

BCSS welcomes our new staff member Nella Baldwin. Nella is a teacher aide who will be working in the Year 6/7 classroom. We all wish her well and hope that she enjoys her time at Bundaberg Central State School. BCSS also recently welcomed: Ethan who joined us in Year 6/7 class and Joel who joined our Prep/1 class.

**Report Cards and Parent/Teacher Interviews**

To ensure that all assessments and test can be marked and evaluated effectively report cards and parent/teacher interviews will be issued and held in the first two weeks of Term 3. Mrs Hillyard will be on LSL for the first week, so Year 4/5s will be in Week 2. Attached to the newsletter next week, will be a timetable for interviews so you can indicate the best time for your interview. If you would like to discuss this, please come in and see me.

**Principal Release Days**

For this week and next week I will be taking my release days on Wednesday and Thursday. This is so I can teach on Friday when our ICT teacher Mrs Rayner is at school. We are currently working on an animated project and Mrs Rayner is going to help us. Any questions, give me a call.

Marie Hillyard
**Change of morning routine**

Children arriving early will now sit on the veranda until 8.30am. All classrooms will be opened at 8.30am for students to enter and get ready for the school day. Please do not bring children to school before this time. Only four families have indicated that their children need to be at school early because of work commitments. These children go into the Library as soon as they arrive for their safety. Once students are at school they are not to be in the front yard area or under E block. This is for their safety.

**Premiers’ Reading Challenge.**

Hope children have been busy reading books and filling in their forms. When the form is completed please bring it into Ms Bradford.

**LOTE**

Japanese Day of Excellence held at Bundy High on May 20th - Kiara and Madison attended -

**BRAG**

The year 4/5 students walked to BRAG last Wednesday and learnt about the artist, Picasso and his many different styles of painting.

Students and staff then learnt how to create an image in one of his styles – a face that is looking forward and to the side. AMAZING WORK WAS PRODUCED. All masterpieces can be looked at once the painters are finished in our room. This week they will be doing a clay head. The next two Wednesdays they will be making a lantern. The frame will be constructed in the first week and covering it in the second week. All these pieces will come home to you. They are truly proud and are amazed at the new skills they are learning.

**Painters should be finished by this Thursday afternoon, so we are hoping to move all furniture back into our class room on Friday.**
