School Wide Positive Behaviour

Our school has four rules or behaviour expectations that we expect of all our students. That being:
- Safety
- Respect
- Effort
- Responsibility

One of our key focus areas at present is Safety, particularly walking on verandah’s and paths around the school. Your continued support in reinforcing with your child our key four expectations is appreciated by the staff.

Absences

Parent/caregivers when phoning about a child being absent please state the name of the child, the reason and the duration of the absence, otherwise it marked as unexplained on the role.

The Next Decade and Beyond…
I will be retiring from my SEP teaching work at the end of this semester. I came to Central in 2010 and I have thoroughly enjoyed my time here. However after 25 years of teaching I feel that it is now time for me to launch into a new line of living.

Throughout my 25 years of teaching I have supported many, many children and their families. The first class that I taught was in a special school and over half of the children in my class had terminal conditions – a sobering reality. I have taught children who were unable to speak and children with severe physical disabilities. I have taught children with genius intellectual abilities and I have taught many, many children with a plethora of wonderful talents. Wherever I have been teaching, whoever I have been teaching and whatever the children’s abilities, I have greatly enjoyed the experiences.

And so I come to my future decades. I am looking forward to having the freedom to pursue other interests that have, until now, remained on the back burner. There are many community activities through churches and community organisations seeking volunteers. Bundaberg has a Riding for the Disabled getting underway and there is my own competition horse riding. My home may even get a garden….who knows?

I started out saying how much I have enjoyed my time with Bundaberg Central. This school has a wonderful team spirit and highly versatile student support. I will always happily remember my final years of permanent employment.

Thankyou, Bundaberg Central.
