Principals Message

Hello Everyone,

Well here we are again – the last week of another term – Term 2, 2014. This semester has been huge, full of new experiences, new students and staff, increased expectations and more importantly than anything – improved learning and student outcomes. We are all proud of our students and we have to thank you for supporting them and us to achieve improved outcomes.

Quadrennial School Report: The QSR has been postponed until 15th August to ensure that our strategic plan is comprehensive and reflects exactly what we want to plan for the next 4 years. If you still have your yellow survey form at home, please complete it and send it back asap. Before Friday would be great. This will give us the opportunity to work on the strategies over the break.

Classroom Supplies: Most students have limited or no supplies remaining, like pencils, rubbers, sharpeners, rulers, colouring pencils and glue. Some students also need grid books for Maths. The school has been helping with some items to keep us going until the end of the term. Please stock up over the break and send in for your children.

Mrs Hillyard Long Service Leave: I will be away on LSL for the first week of Term 3. Tammie Boag will be acting principal for that week. Mrs Boag will still be teaching during this time, so if you need to see her, please call and make a time.

Newsletter for Term 3: To ensure that our school newsletter is comprehensive and contains information not only about what is happening around the school but also in our classrooms, from next term it will be issued every second Friday. This would make it Friday in Week 1, 3, 5, 7 and 9. If any information is needed for the last week of the term (especially Term 4), we can send home a newsletter supplement.

Mrs Hillyard

2014 TERM DATES

Term 1 28 Jan - 4 Mar
Term 2 28 Apr - 27 Jun
Term 3 14 Jul - 19 Sep
Term 4 7 Oct - 12 Dec

Be Respectful - Be Responsible - Be Safe - Make It Effort
Fruit Break: It’s great to see children bringing their fruit to school. Next term, if children need their fruit cut up, they will need to have this precut before coming to school in a container. Thank you Mrs Hillyard.

SEAT Visit. On Wednesday 18th June we had a visit from Mark Farrell. He talked to the children about safety and he explained about how he is now in a wheelchair. His message is:

Play by the Rules -
Do the Right Thing TO AVOID SPINAL INJURY

- Never rock on your chair or pull the seat out from under someone.
- Always check the depth of water e.g lake, dam, creek, beach etc before diving in. Do so by walking into the water first. Always obey safety signs eg NO DIVING.
- Always ride with a helmet on and make sure it is done up.
- When driving in the car ALWAYS WEAR your seatbelt.

Holiday Tennis Clinic:
Monday 30th June, Tuesday 1st July & Wednesday 2nd July for Beginners to High school players with Bundaberg Tennis Academy Coaches, Murray Whitbread and Kevin Banner at Rotary Park Tennis complex, 69b George Street, South Bundaberg. Bookings are essential with Kevin: 4152 0753 or 0409 520753

Sausage Sizzle & Popcorn.

NAIDOC WEEK
First week back at school we will be celebrating NAIDOC which is celebrating the achievements of aboriginal and Torres Strait Islander People.

Tuesday 14th July – There will be a morning tea held in the Hall with the Indigenous Playgroup that is on every Tuesday, held by Diana Fatiaki. Uncle Cliff Appo will come in and do a little presentation on cultural, bush tucker and artefacts.

Wednesday 15th July – The students will participate in the painting of the banner for the National NAIDOC March on the Friday of the same week.

Natasha Nagas from the PACE program will also be helping out with the painting of the banner.

Firemen Visit Prep/1
The Prep and Year 1 students had a visit from the Fire Brigade. During the first visit from the Fire Brigade the students discussed what safe and unsafe fires are. They also discussed what to do if they had a fire in their house and that it is important to have at least 2 exits and a meeting place outside and away from the house (e.g. the mailbox). The children practiced the skills they learnt if they were inside the house when it caught fire. For example, “Get down low and go, go, go!” and “Stop, drop and roll!”. The children also role played emergency phone calls and learnt about the information they need to know to tell the operator to make sure that they send help where it is needed as quick as possible.

On the second visit the Prep and Year 1 students were tested on all the information that they learnt from the first visit and they did extremely well. They were able to answer all the questions and as a reward they got to have a look at the fire truck and all the equipment. The Prep and Year 1 children also got to have a go at holding the hose and spraying the cars in the car park. Even the teachers got to have a go! It was so much fun and the children learnt a lot about fire safety from the visits. As a thank you the Prep and Year 1 students all signed the group photo that was taken and sent it to the fire station.
