Principals Message.

Hello Everyone,

As I have talked about before our Teaching and Learning Audit and our Discipline Audit was held on Wednesday 28th May by Ian Hall. I am very happy and proud to report that we received a very positive report with mostly ‘Highs’. Thank you to all of you for your ongoing support of us and your children here at school.

The report that we received will not help us with our Quadrennial School review and setting our Strategic plan for the next 4 years. Thanks again.

**Change of morning routine**

Children arriving early will now sit on the veranda until 8.30am. All classrooms will be opened at 8.30am for students to enter and get ready for the school day. Please do not bring children to school before this time. Some families have indicated that their children need to be at school early because of work commitments. These children go into the Library as soon as they arrive for their safety. Once students are at school they are not to be in the front yard area or under E block. This is for their safety.

The student council have Popcorn for sale on Monday after school. 50cents a bag.

**Premiers’ Reading Challenge.**

Children have been given their forms last week so they can start reading and filling them in. Some classes will keep them at school. Ask your child if they have a form, if not see Mrs Bradford.

**What is my place like? Geography**

This term the Prep and Year 1 children are immersing themselves in a new curriculum area, Geography. We have started to learn that different places have different ‘features’ that makes them unique. An activity that they recently participated in was drawing picture maps of a familiar place. The children chose to draw their bedrooms. They then had to transfer their picture map into a 3D model using blocks or other objects of their choice. Thanks for your continued support.

Mrs Kym Childs.

**Year 4/5 English**

Our current English unit is about animation including writing captains, thoughts and comic strips. The assessment involves each student creating their own ‘Short Story Animation’. To achieve this we will be using small toy figures or plastercine or such with a background created by the student. If your child says they need to bring small toys to school for English this is what it is about. If any of you would like to come in and help us with this assessment I would be only too happy to welcome you in. Come and see me and I will let you know some times.
