Principal’s Messages:

Hi Everyone
This term is starting to fly by already.
Swimming starts today. All students have been looking forward to the start of swimming. Changing swimming to Tuesday means that not only do we have the professional help of the instructors at the pool but also our PE teacher Mr Metcalf.

All our alternate programs are going really well. I would have to say that the absolute favourite at the moment is Zumba. Many other students are asking if they can go to Zumba too. Maybe next year!

Homework at School
Would your child benefit from being able to do some or all of their homework at school – in their time??
From Tuesday to Friday: 8.20 – 8.50 am students are able to go into the conference room to work on their homework. A staff member will always be in there to help and supervise the students. Talk to your teacher if you would like your child to be able to be a part of these sessions.

Geography
From 2015 Geography will be a part of our curriculum. This week and next week one of the teachers will be attending a PD to learn about how this is to be implemented and most importantly, the content of the curriculum. It is very exciting.

PRE-PREP PROGRAM 2013
Bundaberg Central State School is inviting Pre-Prep students and parents to come along for 12, one hour sessions full of fun and creativity to prepare the 2014 students for school life.
This program enables the students to ‘try out’ the prep school life and will help make the transition to a big school boy or girl a little bit easier.

Time: 9:00—10:00am
Dates as follow:-
Mon November 11th, Wed November 13th, Fri November 15th
Mon November 18th, Wed November 20th, Fri November 22nd
Mon November 25th, Wed November 27th, Fri November 29th
Mon December 2nd, Wed December 4th, Friday December 6th

The Front Yard
Have you noticed that the front yard is starting to have a ‘face lift’? We are really trying (on a limited budget) to tidy the school grounds and make it much more appealing as you drive or walk past.
Do you have some time to help us tidy the grounds??
The main objective at the moment is to tidy the beds, trim the plants and lay some bark. Thank you if you can help. Let the office know.
Kind regards,

Marie Hillyard
A/Principal
