Principal’s Messages:

Hello Everyone

All students are continuing to work hard at their school work. The atmosphere at school is becoming more and more positive each day. All of us here at school thank you for your support from home. Our aim is for no student to have a current warning. We want all out students to be CENTRAL STARS.

Tuckshop Day

On Friday 1st November we celebrate Tuckshop Day. A big thank you to all of our tuckshop helpers and volunteers for without them we would not be able to provide this service. So on Friday make sure you all say a big thank you to the ladies that help out in the tuckshop.

Grandparents Day

Last Friday we celebrated Grandparents Day. We had a fantastic roll up of grandparents, mums, dads, aunties and cousins. Thankyou for making our day so special and we are so happy that you were able to make it along and see what your grandchild/student is doing at school.

Photographs can be found on the next page.

LSL

Tomorrow is my last day as I am going on a short LSL holiday. I will be away for 7 school days. My husband and I are going on a short cruise to the Melbourne Cup. We have been looking forward to this for a long time. I will be back at school on 11th November. See you then.

While I’m away Mrs Boag will be Principal, teaching with Ms Casey in the 6/7 classroom and Mrs Florens will be teaching in the Prep/Year 1 classroom for the 7 days.

Enrolment for 2014

If you have any information about families who might be coming to Bundaberg Central in 2014 could you please let them know to come and collect an enrolment package from the office? 2014 Enrolment Package will be available by Thursday this week. Booklists for 2014 will come out a bit later in the term. We are still finalising what will be needed for each year level.

PRE-PREP PROGRAM 2013

Bundaberg Central State School is inviting Pre-Prep students and parents to come along for 12, one hour sessions full of fun and creativity to prepare the 2014 students for school life. This program enables the students to ‘try out’ the prep school life and will help make the transition to a big school boy or girl a little bit easier.

Time: 9:00—10:00am

Dates as follow:-

Mon November 11th, Wed November 13th, Fri November 15th
Mon November 18th, Wed November 20th, Fri November 22nd
Mon November 25th, Wed November 27th, Fri November 29th
Mon December 2nd, Wed December 4th, Friday December 6th

Thankyou

Marie Hillyard
A/Principal
Grandparents, mums and dads, aunties and cousins attended school last Friday to celebrate Grandparents Day. The morning was full of activities for the students and family members to participate in. Our special guests were shown around the school by our school leaders with one of the ladies attending being a past pupil.

Mrs Learmonth attended school in 1933 aged 6 years old and continued on until 1938 aged 11 years old. She returned with her daughter Mrs Noffke to see her great grand daughter now a student teacher at the school. The morning ended with a cutting of a cake. As pictured below there were lots of families attending and memories made on the day.
Bundaberg School Dental Service

Dental forms are attached to this weeks newsletter, please return as soon as possible to Mrs Long in the office. The Dental van will on the school grounds in late November.

All Dental Forms must be completed in ink. Any Medicare Teen Dental Vouchers will be accepted by the School Dental Service. All consenting students will be examined on a non appointment/appointment basis.

If further treatment is required, a form outlining the treatment will be sent home for a Parent/Guardian to give consent. If you wish to attend with your child please contact the van staff to make a suitable appointment time.

Measles health alert

Queensland Health is concerned about the number of measles outbreaks in Queensland this year. Measles is a highly infectious disease that begins with symptoms such as fever, tiredness, cough, runny nose and/or red inflamed eyes. Measles can lead to complications such as middle ear infections, pneumonia (lung infection) and encephalitis (inflammation of the brain).

Measles can spread very easily. Vaccination is the only way to prevent measles. Queensland Health encourages anyone who has not had two measles-containing vaccinations, or who is not sure about their vaccination status, to get vaccinated as soon as possible. The measles vaccine is free from your local doctor for anyone born from 1966 onwards.

If parents think their child might have measles, they are advised to keep them away from school and make an appointment with a doctor or phone 13 HEALTH (13 43 25 84) to organise medical assessment.
