Parade
Every Friday at 1.40, Bundaberg Central State School holds its weekly parade. It is held in the school hall. All parents and family members are welcome to come to our parade. This is when messages are handed out; awards given and School Wide Positive Behaviour lessons are taught. Students love to hear their names called out as they are recognised for hard work or excellent behaviour.

School Supplies
If you haven’t supplied all your children’s books and stationery could you please do that as soon as possible. It is very difficult to conduct a class if the students don’t have a book to write in or a ruler or rubber. If there is a major problem for you, please contact the school and we may be able to help.

Marie Hillyard
Principal

Year 2/3 have had a fabulous start to the year, with lots of learning happening with a little bit of fun along the way. We’ve got our herb and vegie gardens going in the area just beside our room and the kids are looking forward to eating their produce. We’ll have to get some recipes from parents so we can do some cooking with it too. A part of the garden bed is too shady to grow many plants but if you have plants at home that are suitable, and you’d like to donate one, we’d love to make a little garden that the children can call their own. We’ve repotted little cosmos seedlings that grew up in our garden from plants we grew from seeds last year. Our major art project this term is to turn the very large cardboard box (about the size of an interactive whiteboard) we have in our room into a reading tent. To do this we are going to need LOTS of squares of coloured cotton material about 15cm square that the children are going to glue on. Plans have also been made to cut out windows and put in curtains.

It’s great to see most of the children bringing their homework folders to school every day, which gives them the opportunity to change their reading books. As with everything in life, the only way to get better at something is to practise, so the more reading kids can get at home, the better.
