**Principals Message.**

Hello Everyone,

**ANZAC DAY March.**

Bundaberg Central State School walked in the ANZAC PARADE on Friday 25th April. We all met at 8am in the allocated spot ready to march. It was wonderful to have so many students in uniform, representing the school. We marched proudly with our new school Flag. The Flag bearers were Callum and Trent. These young students walked proud and did a great job. It was lovely to also have teachers, Chappy Evan and parents joining in with the march. On behalf of the school Madison and Eli showed respect while placing a wreath on the cenotaph in memory of the men and women who gave their lives to protect our country. I was very proud of all students as they showed exceptional behaviour throughout the ANZAC Ceremony.

Great state. Great opportunity.
Reminder: Library Opens at 8.20am. Please do not bring children to school before this time. Only two families have indicated that their children need to be at school early because of work commitments. These children go into the Library as soon as they arrive for their safely. Once students are at school they are not to be in the front yard area or under E block. This is for their safety.

Quadrennial School Review

The time has come again for Bundaberg Central State School to have their Quadrennial School Review (QSR). During the process of compiling this report the students, families and community are surveyed, events at the school are looked at and many other aspects from the last 4 years analysed. Decisions are made about how we could improve and in what areas.

Then we look into the future and see where BCSS would like to be in 4 years time. This is done by gathering information from everyone and setting paths and goals to suit this school.

The report is to be submitted on 26th June, 2014.

The first job is to form a QSR Committee. If you would like to be a part of this process please send a note to advise that you are interested. There are only a few places on the committee but all parents are asked to be involved through surveys and other ways of gathering information.

Thank you in advance. Marie Hillyard.

**ANZAC DAY**

On Thursday 24th April our school held an ANZAC Ceremony.

Each class made a wreath. Two students from each class placed their wreath near the school memorial site.

The flag was held high in memory of the fallen soldiers from long ago.

The children had been learning more about the meaning of ANZAC Day before this day in their classrooms. In the Library there was a display of beautiful books and posters relating to ANZAC Day. The children also coloured in pictures.

Religious Instruction:

To cover the cost of materials, an annual contribution of $5.00 per child or $10.00 maximum per family would be appreciated. An envelope is attached with this newsletter.

Thankyou Bundaberg Religious Instruction co-operative.

**ANZAC DAY means to me by Year 7 Students.**

ANZAC day is to help remember soldiers that fought and died for our country. Our soldiers went away with New Zealand Soldiers and tried their best to save Australia.

To me ANZAC Day is special because Australian soldiers died and fought for Australia. They went with New Zealand Soldiers overseas to save our country. ANZAC Day helps us remember this, that people fought for Australia. ANZAC Day is really important.

To me ANZAC day was about the right for freedom to our land. Men and women died to protect us, died for our rights, died for us.

They were brave. Their families must be sad but proud of their children that went to war.

Many died. The ones that survived the war are heroes, legends, just truly great people.

To me ANZAC day is to help remember the men and women who fought for our freedom for our country. The soldiers went away from their families and their country to sacrifice their lives for Australia. ANZAC Day is an honouring, remembering, thanking, renewing day.
